

How to Use the Transfer Guide

In an effort to maximize the transfer of credit, we attempt to match-up the community college associate degrees with the Davenport University bachelor degree that has the “best fit”. This does not mean that you can pursue only this degree. You can choose to pursue any bachelor degree at Davenport University that you desire; however, the credits may not have the same “fit” with other bachelor degrees.

The Transfer Guide was designed specifically for use by students interested in transferring to Davenport University. The Transfer Guide is easier to use and interpret than the Articulation Plans.

HOW TO DETERMINE WHICH TRANSFER GUIDE YOU SHOULD FOLLOW

1. Click on the bookmark labeled Cover Page.
2. Scroll through the associate degree programs listed on the left hand side of the page and locate the name of the associate degree program you are pursuing at the community college.
 - a. If the associate degree you are pursuing at the community college is not on the list, please contact an admissions representative at the Davenport University location nearest you for assistance.
3. Click on the program name you are pursuing at the community college and the corresponding Davenport University Transfer Guide will appear.
4. Print two copies of the Transfer Guide - one for your records and one to give to your Davenport University admissions representative.
5. When you meet with your Davenport University admissions representative make sure to let him/her know the specific Transfer Guide you are interested in following to earn your bachelor’s degree from Davenport University.

HOW TO USE THE TRANSFER GUIDE

The Transfer Guide is composed of 3 sections of information:

1. The first section, labeled, FIRST AND SECOND YEAR: COMPLETION OF ASSOCIATE'S DEGREE, identifies the kind of associate degree that was completed at the community college. This is done by checking one of the two boxes in the first section.
2. The second section is labeled THIRD YEAR. In this section you will review your transcript from the community college and check off the courses that you completed to earn your associate degree. The courses that are **not** checked off are the courses that you may take either at the community college or at Davenport University.
3. The third and final section, labeled FOURTH YEAR: Bachelor Degree Completion identifies those courses that must be taken at Davenport University to meet program major and residency requirements in order to earn a bachelor’s degree through Davenport University.
 - a. This section also identifies the number of credits accepted in transfer and the number of credits to be completed after transfer.
 - b. This section also identifies Davenport University locations where each bachelor degree program can be completed in its entirety.

If you have questions about this Transfer Guide or the process to become a Davenport University student, please contact an admissions representative at the Davenport University location nearest you.

FOURTH YEAR: Bachelor Degree Completion*

The following courses **must** be taken at Davenport University to meet residency and program specific major requirements. Please contact a Davenport University Admissions Representative with any questions.

Foundations of Excellence

- BIOL131 Introduction to Human Disease
- MATH319 Introduction to Biostatistics
- SOSOC201 Diversity in Society

Foundations of Health Professions

- HLTH101 Introduction to Health Careers
- HLTH120 Pharmacology
- HLTH130 Health Care Law & Ethics
- HSAD211 Health Care Management Foundation

Major

- HLTH320 Public Health Perspectives
- HLTH401 Health Care Research
- HSAD403 Health Care Economics
- MCMG300 Case Management Fundamentals
- MCMG310 Community Service
- MCMG311 Psychological Adjustment Disability
- MCMG312 Case Mgmt Insurance Utilization Review
- MCMG401 Case Work Reporting Techniques
- MCMG402 Disability Case Management
- MCMG403 Case Management Special Populations
- MCMG495 Case Management Practicum

Recommended Open Electives:

- COMM311 Organizational Communications
- COMM313 Small Group Communications
- HLTH202 Death and Dying
- HLTH303 Psychosocial Health Concerns
- HSAD200 Health Care Delivery Systems
- HSAD301 Cultural Issues in Health Care
- MCMG410 Case Management Certification Prep.

Open Electives

* The state of Michigan requires a minimum of 120 credit hours for Bachelor's Degree completion. To meet this minimum, Open Electives may be required. Non-developmental level courses taken at your community college and not applied directly toward third year requirements will be applied in this area. An official evaluation of transfer credit will determine the need for electives.

Number of credits accepted in transfer: 85

Number of credits to be completed after transfer: 56

***This program can be completed at the following Davenport University Locations: Livonia, Warren and DU Online.**

FOURTH YEAR: Bachelor Degree Completion*

The following courses **must** be taken at Davenport University to meet residency and program specific major requirements. Please contact a Davenport University Admissions Representative with any questions.

Foundations of Excellence

- MATH310 College Algebra
- MATH312 Finite Math
- SOSOC201 Diversity in Society

Foundations of Technology

- CISP250 Discrete Structures
- GPMT350 Principles of Project Management

Major

- IAAS245 Disaster Recovery
- IAAS321 Securing the Infrastructure
- IAAS322 Network Defense Countermeasure
- IAAS325 Wireless Networking Security
- IAAS421 Computer Forensics
- IAAS481 Information Security and Assurance
- NETW112 or Cisco Networking Router IOS or
- NETW241 MS Implement Network Infrastructure
- NETW141 MS Client & Server OS
- TECH497 School of Technology Capstone

Recommended Open Electives:

- IAAS222 Biometrics Fundamentals
- IAAS223 Applicable Biometrics
- IAAS326 Biometric Spoofing
- GPMT400 Resource Management of Projects

Open Electives

* The state of Michigan requires a minimum of 120 credit hours for Bachelor's Degree completion. To meet this minimum, Open Electives may be required. Non-developmental level courses taken at your community college and not applied directly toward third year requirements will be applied in this area. An official evaluation of transfer credit will determine the need for electives.

Number of credits accepted in transfer: 84

Number of credits to be completed after transfer: 42

***This program can be completed at the following Davenport University Locations: Caro, Grand Rapids-Main Campus (Lettinga), Kalamazoo, Lansing, Livonia, Midland and Warren.**
