DAVENPORT UNIVERSITY HOSTS CISCO NETWORK ON WHEELS EVENT AT LIVONIA AND WARREN CAMPUSES

Livonia Campus

January 11

11 a.m. - 5:30 p.m.

Warren Campus

January 12

11 a.m. - 6 p.m.

The Cisco Network on Wheels is a 27-foot van equipped with the latest Cisco networking technologies. Visit the Livonia Campus or Warren Campus to experience the very best in real world, small and medium-sized business solutions from Cisco in a mobile showcase that's both educational and entertaining.

Any students, staff or faculty interested in learning more about Cisco's innovative new technologies should consider attending.
