Meet Your Professors

**Dr. Frank Novakowski** serves as Associate Dean for Undergraduate School of Business. He has International business experience in both Germany and Japan. He will teach the following courses: international business management, marketing, as well as other courses. Dr. Novakowski is the program director.

**Dr. Mitchell Place,** earned his Ph.D. degree in German culture and language studies. He will lead coursework in Intercultural Communications and Study Abroad Experience courses. He has lived in Germany for many years and now teaches the German Language courses at the Main Campus.

We welcome all current DU students who meet program requirements and alumni to participate in this outstanding program.
