 DAVENPORT
UNIVERSITY

Career-centered curriculum and real-world experience

For 150 years, Davenport has stood apart from other universities because of its unrelenting focus on ensuring its graduates rise to the top of the job market. Its unique approach to education offers students a career-centered curriculum and empowers them with real-world experience.

You'll find Davenport provides an education that works for you with its more than 60 bachelor's and master's degree programs, small class sizes, seven-week courses and classes held online or on campuses across Michigan. As a private, not-for-profit university with accreditation by the Higher Learning Commission, you can be assured Davenport will deliver a quality education that's focused on your success.

From class to career

Davenport University prepares students for high-paying careers. We work with employers to understand the qualifications they are looking for in an ideal candidate and ensure our students exceed those standards. We offer programs in business, technology and health that minimize coursework that isn't important to your success.

Our programs will prepare you for high-paying, in-demand careers such as sports management, cyber security, data analytics, nursing and more.

100% committed to your success

Davenport University offers a 100% employment guarantee for a growing list of programs. We are among the first in the U.S. to offer this guarantee.

12:1 Student-to-professor ratio

Smaller classes, bigger results

The following programs qualify for the employment guarantee:

- Accounting, BBA
- Computer Information Systems, BS
- Computer Science, BS
- Cyber Defense, BS
- Network Management and Security, BS
- Nursing, BSN Pre-Licensure

Learn the skills you need from real-world experts

More than 67,000 successful alumni worldwide can attest to the strength of a Davenport education. You'll be one step ahead with programs that are relevant to today's careers, taught by faculty who are leaders in their industry and will approach your education and success personally. We don't believe in education for the sake of education. You go to college to increase your chances of getting a high-paying job, so shouldn't you be learning skills and knowledge relevant to your career field? We think so.

Lifelong career services

Our students and alumni are known to enter the workforce with a professional edge. We provide resources that get you closer to launching your dream career or advancing in your chosen field. Our career services, which we offer to students and alumni for life, include assistance with resume and cover letter writing, job interview preparation and employment connections.

Live on campus

Enjoy a college experience that is anything but traditional for a first-year student. Freshmen call the apartment-style residences South Hall and Cook Hall home.

Each person receives a fully furnished individual private bedroom that is just steps away from the all-you-can-eat buffet-style dining hall. You will also have access to social lounges, gym facilities and game rooms. When you live on campus, you are close to all the action, which includes classes, campus life activities, bonfires, sporting events and so much more.

Explore our campus your way

From the Student Activity Center to the Donald W. Maine College of Business, there's an energy across campus that we want you to take in, take on and take with you for the rest of your life. That's why we encourage you to take advantage of a campus visit.

6 ways to visit

Overnight Visit

Spend the night in one of our residence halls, hang out with current Davenport students and get a taste of what life is like as a Panther. You'll get a chance to sit in on a class and take part in campus activities — it's the full Davenport experience, packed into one overnight visit.

Panther Preview

Come see what makes Davenport different. Explore campus, attend an academic session of your choice, learn about financial aid and other ways to pay for school and talk to current students. Enjoy a free lunch and, depending on the season, cheer on our football or basketball team with your family — all on us.

Junior Day

Explore the ways you can earn early college credit, learn more about careers you're interested in and learn how to save money when preparing for college. Hear from a panel of students about how they made their college choice, what the Davenport experience is like and get answers to all your burning college questions.

Senior Saturday

Join us for a senior-centric event where the focus is on you. No matter where you are in the decision-making process, this day is for exploring your options, getting your questions answered and moving one step closer to being ready for college in the fall.

Walk and Talk Campus Tours

Take a guided tour led by a Davenport student ambassador and explore the ins and outs of life as a Davenport student. You can also schedule a 30-minute mini-session with an admissions representative between tours from 11:30 am to 1:30 pm to chat with one of our staff members in a relaxed and casual environment. Get the scoop on the admissions process, campus life and whatever else is on your mind.

Destination DU

Explore Davenport your way by attending this interactive day, when you'll have the opportunity to choose between 20+ sessions across campus. Think of this as a "choose your own adventure" tour to explore the possibilities of your future at Davenport.
