Section II. Additional Required Evaluation Criteria

Provide complete responses to all information requirements, as applicable to you, and attach the additional documents required. Sign and date this statement in the area provided.

A) Resume

Attach your current resume to the application packet.

B) Recognitions, Honors, and Awards

You must attach a chronological list, with descriptions, of any academic recognitions earned. This can include honors; distinctions; awards; scholarships; membership and/or leadership in academic honorary societies, organizations, societies, or associations. You must include your name and school, brief information about all awarding institutions/organizations included, and details of how you earned each distinction.

Do not attach copies of degrees or certificates, commemorative memorabilia, compositions or publications, or personal identification items such as a driver's license, social security card, or military ID.

C) Reference Letters (optional)

This item is optional, but if submitted, you must attach one (1) Letter of Reference from a person knowledgeable of your potential for successful learning, as well as your knowledge and ability. The letter may be written by a current/recent instructor or an additional current/recent instructor or a current/former employer

The letter must contain the name, position or title, telephone number, email address, and institutional or organizational address of the referee and must address the following factors:

- a. The relationship of the referee to you. (The referee states whether the information is based on an academic or employment relationship.)
- b. The length of the relationship. (The referee states how long he or she has known you.)
- c. An assessment of your potential for academic success and fulfillment of degree requirements. (Advise your referees that your college or university will base a determination of your academic sufficiency, in part, on the letters of reference that you submit.)

D) Personal Statement/Essay (optional)

This item is optional, but if submitted, you must attach a short statement that provides your career goals and aspirations and how this scholarship will help you attain those goals and aspirations.

By signing this supplemental statement, I acknowledge that the information given above is true and correct:

NSF Scholarships in Science, Technology, Engineering, and Mathematics (S-STEM)

Service Agreement Acknowledgement

The NSF Scholarships in Science, Technology, Engineering, and Mathematics (S-STEM) program provides the means for program-approved academic institutions to grant scholarships to students (hereinafter referred to as participants) who agree to pursue a degree in Computer Science or Computer Information Systems. This Service Agreement sets forth the participant's responsibilities.

I. Participant Responsibilities

The S-STEM scholarship participant agrees to the following:

- a) maintain enrollment at a participating college or university on a full-time basis;
- b) complete all requirements defined by his or her academic program;
- c) maintain good academic standing, as defined by his or her academic institution, in either the Computer Information Systems or Computer Science program of study;
- d) at the end of the semester, submit an official course transcript to the Principal Investigator (PI) at the academic institution or to the S-STEM Program Office, if so requested, listing the courses in which the participant is enrolled and the final grade(s) received;
- e) participate in required S-STEM program activities, including;
 - a. mentoring activities
 - b. Davenport University's Excellence System Certification program
 - c. Davenport University's Employment Guarantee program
 - d. Career and Technical Education (CTE) cohort and community building activities;
- f) complete periodic surveys as requested by the S-STEM Program Office;
- g) respond to all requests from S-STEM Program Office and PI for information concerning the S-STEM program and participant status in accordance with guidance provided in the request; and
- h) Register with the S-STEM Program Office and provide employment-related information post-graduation for a period not to exceed 3 years from the degree conferral date.

I certify that I have read and understand the terms of this service agreement.
