Optional - Complete the Case Management Specialty [CMS]		13 credits			Transfer Credit	Davenport Credit
HHCM300	Case Management Fundamentals	3				
HHCM312	Insurance, UR, and Discharge Planning	3				
HHCM401	Documentation and Reporting	4				
HHCM403	Special Populations	3				
Recommended Optional Elective		0 credit			Transfer Credit	Davenport Credit
			Additional advanced standing credit embedded in the paramedic program			
			HLTH220	Pharmacology	3	
			General Health	Science Electives	13	
TOTAL CREDIT HOURS						Davenport Credit
It is recommended that Paramedic (EMS) students take the following classes at Davenport					Minimum	Minimum
University while enrolled in their paramedic program.			136 credits to complete	39	97	
BIOL110	Foundations of Cell Biology			40 DU courses to complete		
BIOL110L CHEM150	Foundations of Cell Biology Lab Foundations in Chemistry				_	

CHEM150L Foundations in Chemistry Lab

ENGL109 Composition

\*In order to receive advanced standing credit, students must complete the Paramedic (EMS) program and provide proof of a State of Michigan issued license. Students must also meet Davenport University admission standards.

<sup>#</sup>Upon acceptance of a nursing seat, the following courses within the Nursing Pre-Licensure BSN program must be completed at Davenport University: BIOL110/110L, BIOL221/221L, BIOL222/222L, BIOL211/211L, BIOL312, and CHEM150/150L Credits for required biology courses will not be transferred after nursing seat acceptance.

<sup>#</sup>A grade of C+ or better is required for successful completion of all BIOL and CHEM courses required in the nursing program.

\*\*Nursing Pre-Licensure BSN students may take online offerings with permission of the Nursing Department.

The Bachelor of Science in Nursing degree requirements must be met based on the catalog year of acceptance to the BSN Nursing Pre-Licensure program.
