Please complete this form and submit your and/or your parent's (dependent's only) 2021 Tax Returns along with all 2021 W2s. In addition, proof of divorce, separation, or death of parent/spouse must also be submitted.

You have experienced a change in the current economic condition of your household that is not accurately reflected on your financial aid application. You understand that you must thoroughly explain your request for reconsideration and will submit all supporting documentation requested by the Financial Aid Office.

Another type of special circumstance that may affect your eligibility for aid includes participation in a study abroad program or taking an unusually heavy credit load at DU. If you encounter either of these situations, you may qualify for an increase in your student budget (Cost of Attendance) based upon the program costs and you should also complete a special consideration form. We will *not* adjust a student's budget for any reason other than Davenport-related expenses.
