 DAVENPORT
UNIVERSITY

Career-centered curriculum and real-world experience

For over 150 years, Davenport has stood apart from other universities because of its unrelenting focus on ensuring that its graduates rise to the top of the job market. Its unique approach to education offers students a career-centered curriculum and empowers them with real-world experience.

You'll find that Davenport provides an education that works for you, with its more than 60 bachelor's and master's degree programs, small class sizes, seven-week courses and classes held online or on campuses across Michigan. You can be assured that as private, not-for-profit university with accreditation by the Higher Learning Commission, Davenport will deliver a quality education that's focused on your success.

From class to career

Davenport University prepares students for high-paying careers. We work with employers to understand the qualifications they are looking for in an ideal candidate, and ensure that our students exceed those standards. We offer programs in business, technology, health and urban education that minimize coursework that isn't important to your success.

Our programs will prepare you for high-paying, in-demand careers such as sports management, cybersecurity, data analytics, nursing and more.

100% committed to your success

Davenport University offers a 100% employment guarantee for a growing list of programs. We are among the first in the U.S. to offer this guarantee.

Learn the skills you need from real-world experts

More than 70,000 successful alumni worldwide can attest to the strength of a Davenport education. You'll be one step ahead with programs that are relevant to today's careers, taught by faculty who are leaders in their industry and will approach your education and success personally. We don't believe in education for the sake of education. You go to college to increase your chances of getting a high-paying job, so shouldn't you be gaining skills and knowledge relevant to your career field? We think so.

Lifelong career services

Our students and alumni are known to enter the workforce with a professional edge. We provide resources that get you closer to launching your dream career or advancing in your chosen field. Our career services, which we offer to students and alumni for life, include assistance with resume and cover letter writing, job interview preparation and employment connections.

Davenport University Student Support System

As a Davenport student, you will receive personalized attention through every step of your college journey—from applying for admission to graduating and landing the career of your dreams.

This support system is what makes Davenport stand out and will provide you with a dynamic college experience.

“Davenport provided a lot of tutoring and mentoring, and the professors are just so great as they want you to succeed. Everything the professors taught me surpassed my expectations.”

When people ask me what school they should go to, I always recommend Davenport because I know they will be in good hands. They will be with people who want them to succeed and they will have any type of assistance that they need. Davenport always looks out for students in that way.”
