COMMENCEMENT

Sunday, April 28, 2024 • 2:00 p.m.
Van Andel Arena • Grand Rapids, Michigan

PRESIDENT'S MESSAGE

Richard J. Pappas, Ed.D.
President, Davenport University

Congratulations to all of our graduates!

Davenport University's commencement ceremony has been a long-standing tradition for more than 150 years. It is our honor to see you reach this important goal and celebrate with you today. We welcome you and your guests to our 2024 ceremony as we recognize your academic achievements and graduation.

Our promise to you has been to provide the pathway for you to "Get Where the World is Going" in your chosen field of business, technology, health or urban education by building knowledge and skills that set you apart. Today, we honor you and your accomplishments on this journey, acknowledging the hard work and dedication that has led you to this moment.

Our contribution as a University is measured through the achievements of talented graduates like you. Your successful careers in fast-growing industries will be instrumental in fueling robust economic growth, creating new technology systems that enhance lives, and inspiring others to see a brighter future for all.

We hope you stay connected with us, so we can help you celebrate all of your future achievements as well!

Stay in touch at www.davenport.edu/alumni.

DAVENPORT UNIVERSITY MISSION STATEMENT

Davenport University prepares and transforms students to achieve the highest level of academic performance, leading them to excel and advance in their chosen fields in the 21st century.

PROGRAM

PROCESSIONAL *"Pomp and Circumstance"* — *Sir Edward Elgar (1857-1934)*

WELCOME — **Gilda Gely, Ph.D.**
Executive Vice President for Academics and Provost

NATIONAL ANTHEM — **Edye Evans Hyde**

"STAR-SPANGLED BANNER"

Oh, say can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars, through the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
O say, does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

GREETINGS and INTRODUCTIONS — **Richard J. Pappas, Ed.D.**
President

REFLECTIONS FROM A GRADUATE — **Brytani Wright**
Lansing Campus

PRESENTATION OF HONORARY DOCTOR OF BUSINESS DEGREE — **President Pappas**
Recipient: Kent Riddle
President, CEO Mary Free Bed Rehabilitation Hospital

CONFERRING OF HONORARY DEGREE — **President Pappas**
Paula Cunningham
Chair, Davenport University Board of Trustees

COMMENCEMENT ADDRESS — **Kent Riddle**

PRESENTATION OF DEGREES — **President Pappas**

Announcement of candidates:		*Assisted by:*
Brian Miller, Ed.D. *Dean, Global Campus and Academic Systems Operations*	**College of Health Professions**	**Amy Stahley, Ph.D., M.S.N., R.N.** *Dean, College of Health Professions*
	College of Arts and Sciences	**Gerald G. Nyambane, Ph.D.** *Dean, College of Arts and Sciences and College of Urban Education*
Jennifer Bingman, O.T.D., OTR/L *Fieldwork Coordinator/Faculty College of Health Professions*	**College of Urban Education**	**Gerald G. Nyambane, Ph.D.** *Dean, College of Arts and Sciences and College of Urban Education*
	College of Technology	**Amy Mansfield, Ph.D.** *Dean, Donald W. Maine College of Business and College of Technology*
	D.W. Maine College of Business	**Amy Mansfield, Ph.D.** *Dean, Donald W. Maine College of Business and College of Technology*

ALUMNI REMARKS — **Ken Fortier**
Chair, Davenport University Alumni Board

PRESIDENT'S CHARGE and CLOSING REMARKS — **President Pappas**

RECESSIONAL *(Audience remains seated until Recessional march is completed.)*

COMMENCEMENT SPEAKER

KENT RIDDLE

Honorary Doctor of Business

Kent Riddle is the current President and CEO of Mary Free Bed Rehabilitation Hospital. However, he began his professional career as an entrepreneur. He has a bachelor's degree in construction management and engineering from Purdue University and spent the first half of his career in this field. He started his own successful commercial real estate development business and then was appointed the Director of Global Real Estate for Steelcase, overseeing global real estate mergers and acquisitions. In 2000, he co-founded a company in partnership with Steelcase and Morgan Stanley that focused on green building development for Fortune 500 companies.

In 2002, the Riddle family lives were turned upside down. While driving on a local highway, Kent, his wife Susan, and son Scott were hit head on by a drunk driver. Susan suffered a serious traumatic brain injury and after a three-week ICU stay, was transferred to Mary Free Bed. Kent was so enamored by the people, culture, and positive outcome for Susan that he volunteered and then became Board Chair. In 2011, he was asked to become Chief Executive Officer.

During his 13 years as CEO, Mary Free Bed has grown ten-fold from serving 10,000 to 100,000 patients per year. It has expanded to now 70 locations in 4 states including 9 inpatient rehabilitation hospitals and 3,000 employees and team members. Under Kent's leadership, they launched their first post-graduate medical residency and several new research programs. Today Mary Free Bed offers over 150 unique programs making it the most comprehensive and largest non-profit rehabilitation system in the United States. In 2023, Mary Free Bed was recognized by US News and World Report to be in the top 10 of 1,200 US Rehabilitation Hospitals for quality and service, beating out Mayo-Clinic.

In addition to his role as CEO, Kent currently serves as chairperson of the Michigan Hospital Association Service Corp Board, and is on the Michigan Hospital Association Board, and American Medical Rehabilitation Providers Association Board. He has a vast record of volunteer service and leadership with organizations such as Camp Henry, Talent First, West Michigan United Way, Purdue Sport Parachute Club, American Heart Association, Grand Rapids Economic Club, and Iliff School of Theology.

A man of many interests and talents, Kent enjoys restoring vintage cars, playing a variety of instruments, skydiving, traveling to new places and dreaming of what to build next.

CLASS OF 2024 SPEAKER

BRYTANI WRIGHT

BBA Business

Brytani Wright started her degree thinking that she wanted to find the best pathway to a rewarding career in medical administration with the ultimate goal of being CEO of a hospital. So in 2012 she enrolled at Davenport University in Health Services Administration and began taking online courses towards that dream. Then in 2014, life threw her a curve ball that disrupted these plans and she decided it was best to step away from her academic studies.

Six years later, Brytani came back to DU with a renewed vision for her expanded life. She had decided to commit to completing her degree and pursue excellence in her academic accomplishments. Brytani was working at an insurance agency and learning about accounting, human resources, leadership and most importantly, how all functions of business apply to every industry, including Health Care. She changed her major to Business and never looked back.

"I came back to my education with a real desire to master everything. I could recognize that the money spent on my education is an investment that requires me to also invest my focus and time," recalls Brytani. Once she hit her stride, Brytani was an academic powerhouse and her grades consistently placed her on the Dean's and President's lists for academic excellence. She was able to complete her degree through the Global Campus taking online courses because they accommodated her work and family responsibilities.

In addition to her academic work, Brytani has been a contributing member and on the Executive Board of the National Society of Leadership & Success here at Davenport. Members are inducted based on academic success and leadership contributions to the community.

Recently, Brytani shifted her career and took a position as a teacher giving back to her community and encouraging young people to take their education seriously. Brytani comments on this change *"my family always said I was a natural teacher, but it wasn't until I stepped into the classroom that I knew how rewarding it could be."* It's clear that wherever life takes her, Brytani Wright will make the most of the opportunities in front of her.

COLLEGE OF HEALTH PROFESSIONS

Dean: Amy Stahley, Ph.D., M.S.N., R.N.

Statement of Purpose

The purpose of the College of Health Professions, inclusive of the Mable Engle School of Nursing, is to provide students with skills necessary for success in health-related careers, including skills related to the competencies required by the accrediting bodies that license or certify graduates of the programs. Students are able to synthesize the clinical and/or managerial skills of their selected programs in an ethical and legal manner. Students are prepared with the competencies necessary to work with diverse populations of clients and are eligible to apply for the appropriate licensure and/or certification examinations.

COLLEGE OF ARTS AND SCIENCES

Dean: Gerald G. Nyambane, Ph.D.

Statement of Purpose

The College of Arts and Sciences cultivates the skills and abilities needed for academic and professional excellence essential for all university students. These skills encompass analytical and critical thinking, written and oral communication, mathematical literacy, professional excellence and integrity, as well as background in the humanities and social and behavioral sciences fundamental to global citizenship. In addition, the College of Arts and Sciences prepares students with the specific competencies for the career areas of science, data analytics and counseling. It is dedicated to helping all students develop a greater appreciation of artistic, literary, cultural and historical themes, trends and movements.

COLLEGE OF URBAN EDUCATION

Dean: Gerald G. Nyambane, Ph.D.

Statement of Purpose

The purpose of College of Urban Education is to develop teachers and leaders in real world settings to meet the education demands of urban environments. Programs focus on facilitating student learning, preparing content experts in clinical settings, and using data to measure progress. Emphasis is placed on developing educational skills that support diverse populations of learners and in essential content areas such as STEM that open their future career opportunities. The College of Urban Education is committed to utilizing advanced technological tools that enhance student learning, teaching and educational leadership practice.

COLLEGE OF TECHNOLOGY

Dean: Amy Mansfield, Ph.D.

Statement of Purpose

The purpose of the College of Technology is to provide students with the skills necessary to succeed in technology-oriented careers regardless of industry or application. Students develop competencies that integrate specific technology processes within career fields and a mindset that is able to adapt as technology evolves. Foundational skills of written and oral communication, analytical and critical thinking, as well as business/industry knowledge are incorporated within all programs. All College of Technology students build awareness of how the requirements of confidentiality, accessibility, and data integrity affect every organization and individual in today's global environment.

CLASS OF 2024

KNOWLEDGE BANNER

The banner displayed on the stage with the gold lettering "Class of 2024" signifies the academic tradition of welcoming each class of students and presenting the charge of their academic pursuits.

At the Fall Convocation service, a senior-year student presents the incoming freshman class with the Knowledge Banner instilling the vision of this Commencement day 2024. The dedication includes these words.

"You are commencing upon a journey that will ultimately lead to a degree you will cherish from an institution you can be proud of.

This banner is being bestowed to the class of 2024 to symbolize the scholarship and leadership held by Davenport University to obtain a higher education degree. Each of you now may enthusiastically embrace membership in our Davenport community. You will assume the responsibility of maintaining our standard of integrity and quality of excellence. You are charged with adopting our maxim 'make a living, make a life, make a contribution'.

May you find in the years ahead the rewards of an educated person, acceptance with all others, and generosity in giving to those in need. I humbly endow this banner to the class of 2024."

A representative of the Freshman class receives the banner stating:

"On behalf of our incoming class it is my privilege to accept this banner as a symbol of Davenport University. We recognize the responsibility associated with this acceptance and are ready as students to embrace all aspects of maintaining the long Davenport tradition of excellence which began in 1866 and continues today.

This marks a new beginning for us as students. We cherish this occasion and will rise to the challenges that will come."

The 2024 Freshman Class Representative Kelsey E. Malone completed her Bachelors of Business Administration degree with a Sport Management major this year and is continuing on to complete the Masters of Business Administration.

ACADEMIC REGALIA

ROBES

The style of the academic robe differs with the academic degree level it represents. The Bachelor's robe has plain, full sleeves and is without facing down the front. The Master's robe is identified by long narrow sleeves that are "blind" at the cuff, with slits at elbow length for the arms. The Doctoral robe has full sleeves with velvet chevrons and velvet facing down the front.

Academic robes are traditionally black, but some colleges/universities have robes in the school's colors. The velvet trimming on the Doctoral robe is usually black, except for some specific fields of study.

Undergraduate degree robes reflect University colors. At Davenport University, undergraduate candidates wear a red gown.

COLORS OF HOODS, STOLES AND TASSELS

The most colorful part of the academic attire is the hood. The colors of the lining identify the university which granted the highest degree held by the wearer. The color of the velvet trim indicates the department of learning in which the degree was granted. The hoods worn with the robe differ in size, with the Doctoral hood being the longest and broadest.

The Master's hood worn by Davenport University candidates is lined in red and white. The velvet trim on the hood is drab for Master of Business Administration, Master of Accountancy and Master of Management. Hoods for Master of Science Information Assurance and all other Master of Science degrees have gold velvet trim. Master of Science in Nursing candidates wear hoods with apricot velvet trim. Master of Education candidates wear a graduate hood with light blue velvet trim and candidates for the Master of Science in Occupational Therapy wear slate blue.

Stoles in various colors with an embroidered university seal are used to designate the degree/program level of the candidate. The designations are as follows: Graduate Certificates Red stole, Bachelor's degree Black stole, Associate's degree Platinum stole, and Diploma recipients White stole.

Tassels are worn on the right until the degree is conferred. The movement of the tassels to the left is led by the President of the University following the presentation of all candidates for graduation.

ACADEMIC ACHIEVEMENT HONOR CORDS AND MEDALLION BESTOWED BY DAVENPORT UNIVERSITY

University Medallions
Master's degree candidates who complete their degree studies with a 4.0 cumulative grade point average graduate "With Distinction".

Gold Honor Cords
Worn by undergraduate degree candidates who have achieved "Highest Honor" based on their 4.0 - 3.9 cumulative grade point average.

Red Honor Cords
Worn by candidates from the Honors Professional Accountancy BBA/MAcc program.

Black Honor Cords
Representing Arts and Sciences Honors, worn by students that complete projects in five separate Arts and Sciences courses with a project grade of "B" or higher, and complete an Experiential Learning option.

DAVENPORT UNIVERSITY SERVICE RECOGNITION GRADUATION CORDS

Royal Blue and Red Graduation Cords
Worn by Officials of our Student Government whose mission is to create and encourage a culture that embraces diversity, improves academic achievement, builds an inclusive community, and unites all Davenport University campuses to enhance both academic and extracurricular collegiate experiences.

Blue and White Graduation Cords
Worn by Nursing Leaders of the Mable Engle Program within the National Student Nurses Association chapter at Davenport University.

Red, White and Blue Honor Cords
Worn by all Veterans, active duty service men and women, and reservists to acknowledge past or present service Davenport University recognizes the extraordinary contributions of the members of the United States Armed Forces.

ACADEMIC ACHIEVEMENT HONOR CORDS BESTOWED BY EXTERNAL ORGANIZATIONS

Gold, White and Maroon Cords
Alpha Lambda Delta
Excellence in academic achievement by students in their first year of study in higher education as proven by meeting or exceeding a 3.5 cumulative grade point average.

Forest Green and Gold Cords
Sigma Beta Delta National Honor Society
The highest national recognition a business student can receive at a college or university inducted students from the Donald W. Maine College of Business.

Dark Purple Cords
Lambda Epsilon Chi National Honor Society
Demonstration of superior academic achievement in paralegal/legal assistant studies cumulative GPA of 3.75 or higher.

Lavender and White Cords
Sigma Theta Tau-Psi Omicron Society
Highest national recognition a senior or RN-to-BSN completion nursing student for academic achievement.

Crimson and Blue Cords
Upsilon Phi Delta National Honor Society
Recognizing undergraduate students who have demonstrated strong academic performance in health care management and policy with Health Services Administration programs.

Maroon and White Honor Cords
Upsilon Pi Epsilon Honors Society
Outstanding undergraduate and graduate students in Computing and Information Disciplines. Members are chosen not only for their scholastic achievement, but also for distinguishing themselves as professional within the society.

Black and Platinum Honor Cords
National Society of Leadership and Success
Recognizing academic achievement, commitment to developing themselves as leaders, and their dedication to creating lasting positive change.

Gold and Black Honor Cords
Chi Alpha Sigma National Honor Society
Recognizing college students who have earned athletic accolades in their sport while earning a 3.50 or higher cumulative grade point average after attaining senior academic status.

We congratulate our graduates and their families.
You will forever be a part of ours.

Davenport Faculty, Staff and Administration
