9. If prompted, answer the security question you set up and click "Log In":

#### 10. Protecting Your Data

On the page below, you may provide a mobile number to enable multi-factor authentication for increased security of your account. This is optional. If you do not wish to use this security feature, click "Not Now":

Protecting Your Data					
Please take a moment We are strengthening our multi-factor authentication process for our system. This will allow us to better protect your sensitive data. If you have a mobile phone and wish to add this additional level of security, please provide your mobile phone number as an alternate verification method. We will use this phone number only to send verification codes or account alerts as you request them and no other time.
