PRESIDENT'S MESSAGE

Richard J. Pappas, Ed.D.

President, Davenport University

Congratulations to all our graduates!

Today, we commemorate your remarkable achievement: the result of years of dedication and hard work. We welcome you and your guests to our 2026 Commencement Ceremony, celebrating your academic success!

Your journey here has equipped you with the knowledge and skills to 'Get Where the World is Going' in your chosen field of business, technology, health, or urban education. We have witnessed your resilience as you navigated challenges and embraced opportunities with unwavering determination, demonstrating the strength of your character.

As you embark on your careers, we are confident that you will drive innovation and positively impact lives in these vital fields. We are immensely proud of your accomplishments and eagerly anticipate the remarkable contributions you will make. Please stay connected with us through our alumni network and let us continue to celebrate your successes.

Congratulations, go forth and make your mark.

Sincerely,

DAVENPORT UNIVERSITY MISSION STATEMENT

Davenport University prepares and transforms students to achieve the highest level of academic performance, leading them to excel and advance in their chosen fields in the 21st century.

PROGRAM

PROCESSIONAL	“Pomp and Circumstance”	<i>Sir Edward Elgar</i> (1857-1934)
WELCOME		Gilda Gely, Ph.D. <i>Executive Vice President for Academics and Provost</i>
NATIONAL ANTHEM.....		Edye Evans Hyde
	“STAR-SPANGLED BANNER” <i>Oh, say can you see, by the dawn’s early light, What so proudly we hailed at the twilight’s last gleaming? Whose broad stripes and bright stars, through the perilous fight, O’er the ramparts we watched, were so gallantly streaming? And the rockets’ red glare, the bombs bursting in air, Gave proof through the night that our flag was still there. O say, does that star-spangled banner yet wave O’er the land of the free and the home of the brave?</i>	
GREETINGS and INTRODUCTIONS		Richard J. Pappas, Ed.D. <i>President</i>
REFLECTIONS FROM A GRADUATE.....		Amy Bloch <i>W.A. Lettinga Campus</i>
PRESENTATION OF HONORARY DOCTOR OF BUSINESS DEGREE.....		President Pappas Recipient: Paula D. Cunningham <i>State Director for AARP Michigan</i>
CONFERRING OF HONORARY DEGREE.....		President Pappas Provost Gely
COMMENCEMENT ADDRESS		Paula D. Cunningham
PRESENTATION OF DEGREES.....		President Pappas
	<i>Announcement of candidates:</i> Brian Miller, Ed.D. <i>Dean, Global Campus and Academic Systems Operations</i> Laura Kyriakopoulos, MBA <i>Associate Dean, Donald W. Maine College of Business</i>	<i>Assisted by:</i> Amy Stahley, Ph.D., M.S.N., R.N. <i>Dean, College of Health Professions</i> Gerald G. Nyambane, Ph.D. <i>Dean, College of Arts and Sciences and College of Urban Education</i> Gerald G. Nyambane, Ph.D. <i>Dean, College of Arts and Sciences and College of Urban Education</i> Irene Bembenista, D.M. <i>Interim Dean, Donald W. Maine College of Business and College of Technology</i> Irene Bembenista, D.M. <i>Interim Dean, Donald W. Maine College of Business and College of Technology</i>
ALUMNI REMARKS.....		Ken Fortier <i>Chair, Davenport University Alumni Board</i>
PRESIDENT’S CHARGE and CLOSING REMARKS.....		President Pappas
RECESSIONAL (<i>Audience remains seated until Recessional march is completed.</i>)		

COMMENCEMENT SPEAKER

PAULA D. CUNNINGHAM

Honorary Doctor of Business

Paula D. Cunningham is a visionary leader and tireless advocate for community empowerment. As the State Director for AARP Michigan, she leads a nonprofit, nonpartisan organization of more than 1.4 million members, dedicated to driving positive social change and delivering value to Michiganders aged 50 and over.

Cunningham's career is defined by "firsts." She made history as the first female President of Lansing Community College (LCC), the ninth-largest single-campus community college in the nation. During her tenure, she forged critical partnerships to establish a new University Center, expanding educational access for thousands. Her legacy at the institution is honored by the Paula D. Cunningham Administration Building.

Following her time in academia, she transitioned to the financial sector as President and CEO of Capitol National Bank, becoming the only African American woman in the country at the time to lead a majority-owned bank. A champion for economic equity, she also served as the first woman of color to chair the Lansing Regional Chamber of Commerce, where she launched initiatives like the Young Entrepreneurs Council and the W3 women's financial network.

Her commitment to education continues through her leadership on the Davenport University Board of Trustees, where she has served as Chair since 2023. Cunningham's trailblazing work has earned her induction into the Michigan Women's Hall of Fame and recognition from *Ebony Magazine*, the Congressional Black Caucus, and the Athena Awards. From founding the Learn Live Lead Entrepreneurial Academy to co-founding the Imagine Fund for scholarships, her life's work remains rooted in creating opportunities for the next generation of leaders.

CLASS OF 2026 SPEAKER

AMY BLOCH

Bachelor of Science in Biological Laboratory Science

Amy Bloch, an international student hailing from South Africa, graduates today with a Bachelor of Science in Biological Laboratory Science. Since beginning her journey in the Fall of 2022, Amy has demonstrated an unwavering commitment to academic excellence, earning a place on the President's List for six consecutive semesters.

Amy chose Davenport University for its close-knit community and the recommendation of fellow South African teammates. As Captain of the Women's Tennis team, she transitioned from a lifelong individual competitor to a dedicated leader, fostering a "family" atmosphere among her diverse teammates. Her commitment to service is equally notable; through the tennis program, she has volunteered at the local zoo and helped raise funds for aspiring young players in the community. On campus, she also served the university through her work with the Public Safety department.

Driven by the belief that health encompasses the body, mind, and spirit, Amy was inspired to pursue Physical Therapy after experiencing the impact of practitioners who truly listen to their patients. She values the field for its hands-on, practical approach and the challenge of finding creative solutions to complex health issues.

Following graduation, Amy will give her visiting family a tour of her life in Michigan before returning to South Africa for the summer. This fall, she will move to Chicago to attend Northwestern University to pursue her graduate degree in Physical Therapy. Living by her motto—*"Have no regrets in life; whatever your dream, chase it"*—Amy eventually aims to travel to underserved areas to provide essential health and wellness resources.

Statement of Purpose

The purpose of the College of Health Professions, inclusive of the Mable Engle School of Nursing, is to provide students with skills necessary for success in health-related careers, including skills related to the competencies required by the accrediting bodies that license or certify graduates of the programs. Students are able to synthesize the clinical and/or managerial skills of their selected programs in an ethical and legal manner. Students are prepared with the competencies necessary to work with diverse populations of clients and are eligible to apply for the appropriate licensure and/or certification examinations.

Statement of Purpose

The College of Arts and Sciences cultivates the skills and abilities needed for academic and professional excellence essential for all university students. These skills encompass analytical and critical thinking, written and oral communication, mathematical literacy, professional excellence and integrity, as well as background in the humanities and social and behavioral sciences fundamental to global citizenship. In addition, the College of Arts and Sciences prepares students with the specific competencies for the career areas of science, data analytics and counseling. It is dedicated to helping all students develop a greater appreciation of artistic, literary, cultural and historical themes, trends and movements.

Statement of Purpose

The purpose of the College of Urban Education is to develop teachers and leaders in real world settings to meet the education demands of urban environments. Programs focus on facilitating student learning, preparing content experts in clinical settings, and using data to measure progress. Emphasis is placed on developing educational skills that support diverse populations of learners and in essential content areas such as STEM that open their future career opportunities. The College of Urban Education is committed to utilizing advanced technological tools that enhance student learning, teaching and educational leadership practice.

Statement of Purpose

The purpose of the College of Technology is to provide students with the skills necessary to succeed in technology-oriented careers regardless of industry or application. Students develop competencies that integrate specific technology processes within career fields and a mindset that is able to adapt as technology evolves. Foundational skills of written and oral communication, analytical and critical thinking, as well as business/industry knowledge are incorporated within all programs. All College of Technology students build awareness of how the requirements of confidentiality, accessibility, and data integrity affect every organization and individual in today's global environment.

Statement of Purpose

The Donald W. Maine College of Business integrates the essential knowledge of ethical, legal and sustainable business practices required for successful navigation in the global, diversified marketplace. Students develop a broad-based understanding of all functions of business as foundation to their specialized studies that align with key industry requirements and certifications. The focus of the college is to provide both theoretical constructs and practical experiences that provide career pathways to entrepreneurial and leadership opportunities.

CLASS OF 2026

KNOWLEDGE BANNER

The banner displayed on the stage with the gold lettering “Class of 2026” signifies the academic tradition of welcoming each class of students and presenting the charge of their academic pursuits.

At the Fall Convocation service, a senior-year student presents the incoming freshman class with the Knowledge Banner instilling the vision of this Commencement day 2026. The dedication includes these words.

“You are commencing upon a journey that will ultimately lead to a degree you will cherish from an institution you can be proud of.”

This banner is being bestowed to the class of 2026 to symbolize the scholarship and leadership held by Davenport University to obtain a higher education degree. Each of you now may enthusiastically embrace membership in our Davenport community. You will assume the responsibility of maintaining our standard of integrity and quality of excellence. You are charged with adopting our maxim ‘make a living, make a life, make a contribution.’

May you find in the years ahead the rewards of an educated person, acceptance with all others, and generosity in giving to those in need. I humbly endow this banner to the class of 2026.”

A representative of the Freshman class receives the banner stating:

“On behalf of our incoming class it is my privilege to accept this banner as a symbol of Davenport University. We recognize the responsibility associated with this acceptance and are ready as students to embrace all aspects of maintaining the long Davenport tradition of excellence which began in 1866 and continues today.

This marks a new beginning for us as students. We cherish this occasion and will rise to the challenges that will come.”

ACADEMIC REGALIA

ROBES

The style of the academic robe differs with the academic degree level it represents. The Bachelor’s robe has plain, full sleeves and is without facing down the front. The Master’s robe is identified by long narrow sleeves that are “blind” at the cuff, with slits at elbow length for the arms. The Doctoral robe has full sleeves with velvet chevrons and velvet facing down the front.

Academic robes are traditionally black, but some colleges/universities have robes in the school’s colors. The velvet trimming on the Doctoral robe is usually black, except for some specific fields of study.

Undergraduate degree robes reflect University colors. At Davenport University, undergraduate candidates wear a red gown.

COLORS OF HOODS, STOLES AND TASSELS

The most colorful part of the academic attire is the hood. The colors of the lining identify the university which granted the highest degree held by the wearer. The color of the velvet trim indicates the department of learning in which the degree was granted. The hoods worn with the robe differ in size, with the Doctoral hood being the longest and broadest.

The Master’s hood worn by Davenport University candidates are lined in red and white. The velvet trim on the hood signifies specific degrees as follows:

- Master of Accountancy - drab
- Master of Arts - white
- Master of Business Administration - drab
- Master of Education - light blue
- Master of Management - drab
- Master of Science - gold
- Master of Science Information Assurance - gold
- Master of Science in Nursing - apricot
- Master of Science in Occupational Therapy - slate blue

Stoles in various colors with an embroidered university seal are used to designate the degree/program level of the candidate. The designations are as follows: Graduate Certificates Red stole, Bachelor’s degree Black stole, Associate’s degree Platinum stole, and Diploma recipients White stole.

Tassels are worn on the right until the degree is conferred. The movement of the tassels to the left is led by the President of the University following the presentation of all candidates for graduation.

ACADEMIC ACHIEVEMENT HONOR CORDS AND MEDALLION BESTOWED BY DAVENPORT UNIVERSITY

University Medallions

Master's degree candidates who complete their degree studies with a 4.0 cumulative grade point average graduate "With Distinction".

Gold Honor Cords

Worn by undergraduate degree candidates who have achieved "Highest Honor" based on their 4.0 - 3.9 cumulative grade point average.

Red Honor Cords

Worn by candidates from the Honors Professional Accountancy BBA/MAcc program.

Black Honor Cords

Representing Arts and Sciences Honors, worn by students that complete projects in five separate Arts and Sciences courses with a project grade of "B" or higher, and complete an Experiential Learning option.

DAVENPORT UNIVERSITY SERVICE RECOGNITION GRADUATION CORDS

Royal Blue and Red Graduation Cords

Worn by Officials of our Student Government whose mission is to create and encourage a culture that embraces diversity, improves academic achievement, builds an inclusive community, and unites all Davenport University campuses to enhance both academic and extracurricular collegiate experiences.

Blue and White Graduation Cords

Worn by Nursing Leaders of the Mable Engle Program within the National Student Nurses Association chapter at Davenport University.

Red, White and Blue Honor Cords

Worn by all Veterans, active duty service men and women, and reservists to acknowledge past or present service. Davenport University recognizes the extraordinary contributions of the members of the United States Armed Forces.

ACADEMIC ACHIEVEMENT HONOR CORDS BESTOWED BY EXTERNAL ORGANIZATIONS

Gold, White and Maroon Cords

Alpha Lambda Delta

Excellence in academic achievement by students in their first year of study in higher education as proven by meeting or exceeding a 3.5 cumulative grade point average.

Forest Green and Gold Cords

Sigma Beta Delta National Honor Society

The highest national recognition a business student can receive at a college or university inducted students from the Donald W. Maine College of Business.

Dark Purple Cords

Lambda Epsilon Chi National Honor Society

Demonstration of superior academic achievement in paralegal/legal assistant studies cumulative GPA of 3.75 or higher.

Lavender and White Cords

Sigma Theta Tau-Psi Omicron Society

Highest national recognition a senior or RN-to-BSN completion nursing student for academic achievement.

Blue and Green Cords

Upsilon Phi Delta National Honor Society

Recognizing undergraduate students who have demonstrated strong academic performance in health care management and policy with Health Services Administration programs.

Maroon and White Honor Cords

Upsilon Pi Epsilon Honors Society

Outstanding undergraduate and graduate students in Computing and Information Disciplines. Members are chosen not only for their scholastic achievement, but also for distinguishing themselves as professional within the society.

Black and Platinum Honor Cords

National Society of Leadership and Success

Recognizing academic achievement, commitment to developing themselves as leaders, and their dedication to creating lasting positive change.

Gold and Black Honor Cords

Chi Alpha Sigma National Honor Society

Recognizing college students who have earned athletic accolades in their sport while earning a 3.50 or higher cumulative grade point average after attaining senior academic status.

Navy Blue and Grey Honor Cords

Alpha Alpha Alpha National Honor Society

First-Generation undergraduate students who have demonstrated strong academic performance with a cumulative GPA of 3.2 or higher.

*We congratulate our graduates and their families.
You will forever be a part of ours.*

Davenport Faculty, Staff and Administration
