

### **How do I receive a copy of Form 1098-T?**

The IRS requires Form 1098-T to be postmarked by January 31 of the following calendar year. This form is mailed to the permanent address (not billing address) of a student who was enrolled at Davenport University for at least half time during the calendar year.

### **Where can I get a listing of payments made to Davenport University?**

View your qualified fees assessed and payments applied to those fees on Student Payment Center. If you are not able to get this information on the website, a statement can be mailed to your billing address.

### **Since I received a Form 1098-T from Davenport University, am I qualified for one of the education tax credits?**

The taxpayer is responsible for determining eligibility.

### **What are qualified and non-qualified expenses?**

As determined by the federal government, qualified expenses are defined as expenses required by and paid to the institution for enrollment purposes. They include fees for maintenance, tuition, technology, facilities, and a portion of the programs and services fee.

Non-qualified expenses are defined as books, room and board, student activities, parking, athletics, insurance, equipment, or other similar personal living expenses.

As a result, the amount of qualified expenses will likely be less than the total amount of money paid.

### **Why is there an amount in Box 1 and Box 2 is blank for 2018?**

Due to a change to institutional reporting requirements under federal law, beginning with tax year 2018, the university will report in Box 1 the amount of payments received for qualified tuition and related expenses paid during the calendar (tax year) 2018.
