Be a life saver. Davenport’s BSN is a degree designed for the student who wants to build a career as a professional nurse. You will graduate with the skills and knowledge you need, and you’ll also possess valuable critical thinking, assessment, leadership and management skills to set yourself apart.

Why DU?

- Accredited by Accreditation Commission for Education in Nursing.
- The only BSN program with advancement possibilities. We offer Post-Baccalaureate Certificates in medical case management and advanced cardiac life support.
- 98% of our BSN graduate respondents reported that they would highly recommend this program to others.
- Our graduates exceed national level average of Nursing Board exam pass rate.
- 100% of respondents reported being **employed within six months** of graduation (following licensure).
- At the BSN level, with your Registered Nurse credential, you will be highly sought after by Magnet-level healthcare organizations.*
- First Survivorship Training and Rehab (STAR) University is available. Our STAR cancer rehab training opens doors for students pursuing oncology nursing.
- Maintains the highest quality standards through continuous accreditation.
- Expert, university-level nurse educators teach and serve as dedicated mentors to enrich your experience.
- Nursing is taught at the Grand Rapids, Lansing, Midland and Warren campuses.

**“Magnet” is an earned designation for healthcare organizations who have achieved the highest level of nursing excellence.**
