Help others and be rewarded. As a post-baccalaureate student, this program develops your ability to provide entry-level, occupation-focused, evidence-based occupational therapy in many healthcare settings. You’ll serve patients of all ages as you help restore abilities and improve quality of life.

**Why DU?**

- **NEW program!** Designed to meet the highest accreditation quality standards from Accreditation Council for Occupational Therapy Education.

- **One of only seven master’s entry-level OT programs in Michigan.**

- Grand Rapids campus only.

- Unique curriculum pairs standard OT training with the latest knowledge, research, theory and best practices in the field.

- You’ll graduate highly skilled, prepared to excel in real-world practice, with opportunities for advanced certification.

- Extensive experiential learning provides in-depth, hands-on education.

- You’ll be prepared to take the required Occupational Therapist licensing exam.

- A fast-growing field anticipated for 33% growth through 2018.

**Davenport University**

- We are a private, non-profit university, preparing students for careers.

- We award $15 million in scholarships each year.

- We maintain a low student-to-faculty ratio.

- We offer 11 campuses across Michigan.

- We specialize in flexible online or on-campus classes, days and evenings.

- We are nationally respected for our curriculum and faculty.

**College of Health Professions**

The DU College of Health prepares you for growing opportunities within many healthcare disciplines, including nursing, health information management, occupational therapy and allied health. We focus on building essential skills for your professional advancement. Find your future with Davenport’s College of Health Professions.
