Off to a strong start. Davenport is committed to helping you succeed — in your college education, your career, your life. If you are placed in MATH030 or ENGL021, you will start those FOL courses in your first semester at Davenport and complete them before enrollment in your advanced courses.

Why DU?

• Our pass rates for these developmental courses are significantly higher than any Michigan community college.

• The only four-year university in Michigan to offer multiple options for Foundation of Learning classes. These alternatives can allow you to bypass courses where you already have strong skills, saving time in your degree completion and saving tuition money, too. Our options include:

  • Math Bridge Program to quickly refresh math skills and test into higher level math classes. 80% success rate bypassing MATH030.

  • Accelerated Learning: take an FOL class with MATH125/ENGL109. 84% success rate passing higher course with first attempt.

  • Open Class Academy Materials prepares you to take or retake COMPASS tests for math or English or become eligible to bypass lower-level courses.

Davenport University

• We are a private, non-profit university preparing students for a career.

• We award $15 million in scholarships each year.

• We keep a low student to faculty ratio.

• We offer 11 campuses across Michigan.

• We specialize in flexible online or on-campus classes days and evenings.

• We are nationally respected for our curriculum and faculty.

Davenport University College of Arts and Sciences

Our Excellence System builds a strong foundation for your future. Our focus is on nine critical thinking skills that prepare you to succeed in any field. No matter what degree you choose, it all starts here, and grows, with knowledge base in math, humanities, English, social sciences and languages.
