Why DU?

- Unlimited job opportunities in a burgeoning field that offers long-term career growth and advancement options (salaries range from $43,000 to $119,000 as per onetonline.org).
- Professors with real-world experience and industry ties, which means exciting learning, internship and job opportunities.
- A wide range of database classes offering a breadth and depth of learning that uniquely prepares you to move into the marketplace with high-level proficiencies.
- Transfer-friendly, allowing for many community college and college-level high school courses to transfer so students can graduate sooner.
- Tuition is charged by the credit hour. If you take 12 credits, you only pay for 12 credits.
- Free course brush-ups after graduation.
- Our highly equipped computer labs offer hands-on learning, giving you the skills to immediately compete in the job market.

Davenport University

- We are a private, non-profit university preparing students for a career.
- We award $15 million in scholarships each year.
- We keep a low student-to-faculty ratio.
- We offer 11 campuses across Michigan.
- We specialize in flexible online or on-campus classes days and evenings.
- We are nationally respected for our curriculum and faculty.

College of Technology

Our curriculum is ahead of the curve. We research what’s new, what’s critical and what’s emerging. We add a strong business foundation to give you the edge you need to succeed in your tech career. Find your future with Davenport’s College of Technology.
