BUILDING CAREERS, COMPANIES AND COMMUNITIES

Davenport University
ADVANCED ABILITIES FOR TODAY’S CAREERS

With a rich history of providing business education, DU’s wealth of knowledge in business makes a Davenport MBA your best professional choice. Supported by our networks in the business community, as well as our experienced-based faculty, a Davenport MBA provides you with the leadership and business strengths you need to advance in your current career, or to pursue new directions — the skills that are at the heart of today’s global economy.

One of Michigan’s Premier Business Schools

- Expert in graduate business education
- Gain the skills that are at the heart of today’s global economy
- Program content aligned with what employers look for in employees
- Personalized financial aid
- Accredited by the International Assembly for Collegiate Business Education
Convenience

DU specializes in education for professionals, with classes that fit into your schedule. Getting started is easy because you can attend online or evenings at a campus near your home or work. Classes average 15 students, offering personal attention and enhanced learning and networking experiences. We know you’re busy, so required credits are kept to a minimum while ensuring quality programs. Plus, you’ll earn those credits in an experiential education format that provides real-world experience. Our faculty are experts in their fields and will offer you practical perspectives and individual assistance.

- 30-credit hour MBA
- Strategic management focus with emphasis on decision-making skills and leadership in both public and private sectors
- Can be completed in 5 semesters with flexible course scheduling
- Leverage credit for prior professional knowledge or certifications and shorten time to completion
- Acquire depth of knowledge in contemporary business management sought by employers
- Study Abroad and Internship options
- Elective option to customize your degree to meet your needs
- Seven week classes begin six times a year to give you flexible scheduling.
- Online or evenings
- A graduate introduction course provides personalized professional development plan and readiness for graduate level course work
- Integrative business simulation challenge as capstone experience provides demonstration of mastery
