3 Fastest-Growing Career Areas
We specialize in business, technology and health, three areas at the heart of the future economy. Our innovative programs give you a competitive advantage. We offer programs designed for adults who want classes near home in majors that mirror the new job market.

Teaching the Skills Employers Want
Our community connections with business and industry and our experienced faculty assure that our programs change to meet the needs of employers today. Davenport, a non-profit university, offers undergraduate and graduate degrees statewide that provide the best employment opportunities in each campus community. We continuously introduce new high-quality programs to meet the demands of business today and the changing needs for tomorrow’s economy.

Personal Help with Financial Aid
At DU, you will be assigned a financial aid counselor. We are dedicated to helping you explore every option. You won’t have to figure it out alone. At DU, we’ll be right beside you.

Career Services

We’re Here for You
Davenport has a history of specializing in the needs of adult learners like you. We know you want to earn a degree that puts you in demand as a career professional. But as an adult university class, you have challenges. We are the university that concentrates on making education practical for adults.

Online Classes
Almost every course is offered online for busy adults like you. Check out our huge selection at davenport.edu/online. Earn a degree completely online or combine online studies with in-seat classes.

Flexible Class Schedules
You can take classes days, evenings or online 24/7. And classes begin every eight weeks. Fitting a degree into your busy life is what Davenport is all about. You can earn your degree — on your schedule.

Classes Close to Home
Our statewide campuses are close to where you live or work. With our small class sizes, your instructor will always know you.

Easy Credit Transfers
We simplify accepting the credits that you have earned so that you can apply them toward your DU degree. Whether you have previous college credits or valuable learning or work experiences from outside a formal classroom, you may be able to turn them into course credit. Davenport offers many ways to earn credit:

• Life Learning
• Testing (CLEP, Dantes, etc.)
• Transfer
• Military
• Experiential Learning
