

Honors Professional Accountancy

Bachelor of Business Administration

Davenport University offers an Honors Professional Accountancy program for strong academic performers with a passion for accounting. In this program you have the opportunity to earn both your undergraduate (BBA) and your graduate degree (MAcc) in Accounting within a five-year period. You can also leverage your elective credits towards a graduate business certificate in specialized areas including Finance, Healthcare Management, Forensic Accounting, Internal Auditing and Managerial Accounting.

The BBA in Accounting can be completed in-seat or online.

Why DU?

- Eligibility to sit for professional accounting certifications (CPA, CMA, CIA, and CFE).
- We are so confident in the quality of our BBA in Accounting degree, that graduates who meet Davenport University requirements are eligible for our Employment Guarantee. This allows additional education benefits if you are unable to obtain employment within six months of graduation.
- Designated faculty mentors who act as your business coach, mentoring you as you build your professional portfolio.
- Cohort experience, connecting honor students with each other for networking and support.
- Internship requirement adds opportunities for you to add real-world experiences to your portfolio.

Davenport University

- We are a private, non-profit university preparing students for a career.
- We are accredited by the International Assembly for Collegiate Business Education and by the Higher Learning Commission.
- We award \$15 million in scholarships each year.
- We keep a low student-to-faculty ratio. Class average of 15 students.
- We offer classes online and at campuses across Michigan.
- We are nationally respected for our curriculum and faculty.

Donald W. Maine College of Business

DU has been a leader in business education since 1866, with a proud tradition of preparing leaders for today and tomorrow. Respected, rigorous and proven, we focus on your success.

Why Accounting?

Accounting employment availability is expected to rise at least 11% according to the Bureau of Labor Statistics. Increasing tax and regulatory complexities and an overall growing economy are expected to provide a strong demand for accountants in all areas of business.

At Davenport University, we offer a number of professionally recognized, Professional Certifications geared toward specific competencies within the discipline of accounting. The Davenport University accounting degree programs are developed with careers and respective certifications in mind. Earning certifications can lead to better job prospects and higher pay. Students will be prepared for certification exams including:

- Certified Public Accountant (CPA)
- Certified Fraud Examiner (CFE)
- Certified Management Accountant (CMA)
- Certified Government Financial Manager (CGFM)
- Certified Financial Manager (CFM)
- Certified Internal Auditor (CIA)

Specialties Offered

Once you have completed the core courses in the Honors Professional Accountancy program, you will choose from one of five specialties to complete your degree.

- **Professional Accountant:** Be prepared for the Certified Public Accountant (CPA) exam.
- **Managerial Accountant:** We'll prepare you for the Certified Managerial Accountant (CMA) exam.
- **Fraud Examiner:** We'll focus on preparation for the Certified Fraud Examiner (CFE) exam.
- **Internal Auditor:** Be ready for the Certified Internal Audit (CIA) exam.
- **Finance:** Gain an understanding of corporate and business finance operations.

Employment Opportunities

Increase in the demand for accountants and auditors is likely as organizations need to comply with new laws and regulations. You can take part in this demand with careers such as:

- Public Accountant
- Forensic Examiner
- Internal Auditor
- Accounting Manager
- Governmental Accountant
- Financial Analyst
- Strategic Consultant

2014 Job Statistics – Average Salary

Accountant	\$67,190	Financial Analyst	\$80,310
Budget Analyst	\$71,590	Financial Manager	\$117,990
