If your enrollment changes or you otherwise become ineligible, Davenport will adjust your grant amount, including the possibility of removing the grant.

Do I have to complete a FAFSA or complete any Financial Aid requirements related to my FAFSA?

A FAFSA and its associated requirements are not required. However, any SAP requirements or requirements related to proving eligibility for the grant would be required. Completing a FAFSA may make you eligible for other aid, so you should consider completing one at www.FAFSA.ed.gov.
