

LGBT Job Search Engines & Networking Websites

- DiversitySearch.com: A diversity career portal for minorities, women and other job seekers and diversity recruiters.
- Feminist Majority Foundation Career Center
- The Gay Financial Network: Includes a directory of LGBT-friendly professionals and Fortune 500 corporations.
- GayWork.com: Job listings with LGBT-friendly organizations and links to company information. This site also has career articles about LGBT issues and the workplace, as well as an excellent list of LGBT employee groups at companies around the country.
- GLPCareers.com: Gay and lesbian jobs, employment and career search.
- HireDiversity.com: Diversity career portal for employers and job seekers.
- Idealist.org: Thousands of job listings, most in the non-profit sector. This website allows you to search by interest and includes "Gay, Lesbian, Bi, and Trans Issues" as an area of focus.
- ProGayJobs.com: A recruiting portal that provides diversity-focused employers with opportunities to post jobs and advertise to the LGBT workforce, and provides resources to LGBT jobseekers to find jobs with companies that embrace diversity.
- OpportunityKnocks.org: Nonprofit job listings in the areas of health, education, environment, arts and social services.
- OutProfessionals.org: Job search and networking web site, including a directory of businesses, women's network, LGBT events and links, and volunteer opportunities.
