Choose the type of source you are citing.
Fill out the boxes that pertain to your source. You will not need every box. The “APA Guide” shows you an example citation.
When you click in a field, boxes will appear telling you how to format your text.

Article authors
Add names and roles in the same order shown in the source. Use suffixes like Jr. and II but omit titles like Queen, Dr., PhD and Sir. Advanced help.
If you may have made a formatting error, a yellow caution triangle will appear. If you mouse-over the triangle, a “Suggestions” box will give you more information.
Once you’ve filled out every box you need, click “Submit.”
