

PROJECT MANAGEMENT Professional (PMP)[®] Exam Prep

Through our PMP[®] Preparation Course, instructed by expert PMI[®]-certified instructors, we have helped numerous project managers achieve PMP[®] Certification, enhancing their skills and abilities to the benefit of their employers. This intensive course prepares participants for the Project Management Professional (PMP)[®] certification examination developed and conducted by the Project Management Institute (PMI)[®]. This exam-prep course provides a focused review of all subject matter for the Project Management Certification (PMP)[®].

Davenport University has been approved as a provider of project management training by the Project Management Institute (PMI)[®] and to issue 36 PDUs for the Project Management Professional (PMP)[®] program.

What makes our program different?

- Multiple courses per year in both in-seat and online formats
- An accredited curriculum
- Relevant course developed and taught by experienced PMP[®] practitioners
- Structured learning environment with latest tools for education (including simulation software)
- Best-in-class course materials and sample test questions

Who should attend?

- Anyone who wants to take the Project Management Professional (PMP)[®] certification exam
- Current project management employees to refresh or reinforce best practices
- Supervisors of Project Managers
- Employees responsible for project outcomes
